CC149 – NEIGHBOURHOOD WATCH PRESENTATION

Margaret welcomed Lisa Toon of Neighbourhood Watch Scotland to the meeting. Neighbourhood Watch is a way for people to work together to help make communities safer. Lisa outlined ways to become involved and how to start a scheme in this area. Following her presentation, it was agreed that KCC gather information, appoint a co-ordinator and look into starting a scheme for the village possibly in June. In the meantime, it was agreed to sign up for alerts and safety information from Neighbourhood Watch Scotland which would be passed on to local residents. CC150 – MATTERS ARISING

- **CC135 – Matters Arising – Councillor’s Report – Restoration of Turnip Field**

Margaret informed the meeting that the Turnip Field has been improved but is still not satisfactory. It was agreed to take the matter further with SC in the Spring.

- **CC135 – Matters Arising – Killearn Pavements**

The pavement repairs list has been submitted to SC. KCC alerted SC in December to the ice problem on the new pavements in Birch Road.

- **CC138 – Question Time – Killearn Co-op**

The Manager of Killearn Co-op spoke to the meeting regarding the problem of light nuisance. There have been a number of issues following the shop’s recent refit, but once some electrical problems have been resolved, the shop lights will be dimmed overnight by 80%. The hedge has been trimmed in the car park and work will be done as soon as possible to re-build the front ramp, build a speed bump and erect signage at the entrance to the car park.

- **CC142 – Priority Based Budgeting (PBB)**

PBB response has been sent to SC.

- **CC145 – Any Other Business – KCC Elections**

Notice of Election will be posted on Monday 26 January 2015 with applications to be submitted by Friday 13 February 2015.

CC151 – COUNCILLOR’S REPORT

Cllr Muirhead spoke to the meeting and outlined the following in his report:

- Killearn Community Futures Company has provisionally been awarded £1000 towards the cost of the new Sports Pavillion.
- The contract for superfast broadband between BT and the Government has been extended to 2017 with Killearn due to be upgraded within the next 18 months. Further information available from www.digitalscotland.org/whereandwhen
- With regard to the new 20 mph signs at Graham Road and the Bank corner, Angela McGibbon of SC informed Cllr Muirhead that these are replacement signs, rather than new ones. There is no funding for 20 mph signs on Birch Road despite this being a route to school.
- As all schools must submit a travel plan by June 2015, Cllr Muirhead suggested KCC liaise with Killearn Primary School Head Teacher regarding the need for a 20 mph zone on Birch Road. (*Action JA*)
- As no date had been forthcoming from SC, Cllr Muirhead agreed to try again to meet the Council Leader to discuss the matter further.
- KCC again expressed dissatisfaction at the lack of progress with this issue and the seeming inconsistencies in SC’s approach to the matter.
